INDEPENDENT AUDITOR'S REPORT

Board of Commissioners
Suburban Municipal
Joint Insurance Fund
9 Campus Drive, Suite 16
Parsippany, New Jersey 07054-4412

Report on the Financial Statements

We have audited the accompanying financial statements of the Suburban Municipal Joint Insurance Fund (the "Fund"), which comprise the statement of net position as of December 31, 2013 and 2012 and the related statements of revenue, expenses and changes in net position, and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

The Fund's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and Government Auditing Standards issued by the Comptroller General of the United States. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

SUPLEE, CLOONEY & COMPANY

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis of Qualified Opinion

As permitted by the Departments of Community Affairs and Insurance, State of New Jersey, we did not extend our audit to the underlying actuarial assumptions for Incurred but Not Reported (IBNR) reserve amounts, since they are prepared by the Fund's actuary.

Qualified Opinion

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we audited the IBNR reserves, the financial statements referred to above present fairly, in all material respects, the financial position of the Suburban Municipal Joint Insurance Fund as of December 31, 2013 and 2012, and the changes in its net position and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the *management's discussion and analysis and budgetary comparison information* identified in the table of contents be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

SUPLEE, CLOONEY & COMPANY

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Suburban Municipal Joint Insurance Fund's financial statements. The supplementary schedules are presented for purposes of additional analysis and are not a required part of the financial statements.

The schedules listed above are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the financial statements taken as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated May 23, 2014 on our consideration of the Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Suburban Municipal Joint Insurance Fund's internal control over financial reporting and compliance.

INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL REPORTING
AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF BASIC FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

Board of Commissioners
Suburban Municipal
Joint Insurance Fund
9 Campus Drive, Suite 16
Parsippany, New Jersey 07054-4412

We have audited, in accordance with the auditing standards generally accepted in the United States of America, and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Suburban Municipal Joint Insurance Fund (the "Fund") as of and for the year ended December 31, 2013, and the related notes to the financial statements, which collectively comprise the Suburban Municipal Joint Insurance Fund's financial statements, and have issued our report thereon dated May 23, 2014.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Suburban Municipal Joint Insurance Fund's control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of the Suburban Municipal Joint Insurance Fund's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

SUPLEE, CLOONEY & COMPANY

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Suburban Municipal Joint Insurance Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

MANAGEMENT DISCUSSION AND ANALYSIS

Management's Discussion and Analysis

In this section of the annual report, management of the Suburban Municipal Joint Insurance Fund (the "Fund") presents a narrative discussion and analysis of the Fund's financial activities for the years ended December 31, 2013 and 2012. This section of the report should be read in conjunction with the Fund's audited financial statements and supplementary information for the years ended December 31, 2013 and 2012. The Fund's audited financial statements are presented in conformity with U.S. generally accepted accounting principles.

Audit Assurance

The opinion of our independent auditors, Suplee, Clooney & Company is included in this report.

Financial Highlights

Total assets at year-end totaled \$5.6 million and liabilities totaled \$3.6 million. Assessments Receivable comprises \$1.2 million of total assets. Loss Reserves comprise \$3.1 million of total liabilities.

Assessment Revenues to participating members are based on actuarial assumptions determined by the Fund's actuary. Assessments totaled \$4.8 million which is an increase of \$141 thousand or 3.0% from the prior year. Operating Expenses totaled \$4.3 million which is a decrease of \$282 thousand or 6.2% from prior year. The Fund's provision for claims and claim adjustment expenses decreased \$358 thousand. The Fund's largest expenditures are provisions for claims and claim adjustment expenses and payments for insurance premiums.

Cash and Investments of \$3.4 million increased \$214 thousand from prior year's total of \$3.2 million.

As described in the Notes to the financial statements, the fund accounts for its equity interest in joint insurance funds in which the fund is a member. At December 31, 2013 and 2012 the value of this equity interest was \$541,947 and \$384,961, respectively.

Overview of Annual Financial Report

Management's Discussion and Analysis (MD&A) serves as an introduction to, and should be read in conjunction with, the basic audited financial statements and supplementary information. The MD&A represents management's examination and analysis of the Fund's financial condition and performance.

The financial statements report information about the Fund using full accrual accounting methods. The financial statements include a Statement of Net Position; a Statement of Revenues, Expenses and Changes to Net Position; a Statement of Cash Flows; and notes to the financial statements.

The Statement of Net Position presents the financial position of the Fund on a full accrual historical cost basis. This statement presents information on all of the Fund's assets and liabilities, with the difference reported as net position. Over time, increases and decreases in net position is one indicator of whether the financial position of the Fund is improving or deteriorating. While the Statement of Net Position provides information about the nature and amount of resources and obligations at year-end, the Statement of Revenues, Expenses and Changes in Net Position presents the results of the activities over the course of the fiscal year and information as to how the net position changed during the year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of the related cash flows.

The Statement of Cash Flows presents changes in cash and cash equivalents, resulting from operational, financing, and investing activities. This statement presents cash receipts and cash disbursement information, without consideration of the earnings event or when an obligation arises.

The Notes to the Financial Statements provide required disclosures and other information that are essential to a full understanding of material data provided in the statements. The notes present information about the Fund's accounting policies, significant account balances and activities, material risks, obligations, commitments, contingencies and subsequent events, if any.

Summary of Organization and Business

The Suburban Municipal Joint Insurance Fund (the "Fund") was formed on January 1, 1994 in accordance with P.L. 1983, C.372, entitled "An Act Concerning Joint Insurance Funds for Local Units of Government", and the supplementing Chapter 10 of Title 40A of the New Jersey Statutes. The Fund is operated in accordance with regulations of the New Jersey Department of Insurance and the Division of Local Government Services of the Department of Community Affairs. The Fund was established for the purpose of providing low cost insurance coverage as well as providing stability in coverage. There are currently ten member municipalities participating in the Fund.

Participating municipalities must remain in the Fund for the full term of membership unless earlier terminated by a majority vote of the Fund Commissioners or a two-thirds vote of the Executive Committee for nonpayment of assessments or continued non-compliance after written notice to comply with the bylaws or other obligations.

All members' contributions to the Fund for claim payments are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

An executive director/administrator is responsible for the overall administration of the Fund.

The following coverages are offered by the Fund to its members:

- a) Workers' Compensation and Employers' Liability
- b) General Liability and Auto Liability
- c) Property Damage
- d) Motor Vehicle
- e) Public Officials' Liability
- f) Environmental

The Fund is also a member of the Municipal Excess Liability Joint Insurance Fund which provides excess insurance for each of the coverages noted above, except for excess property coverage which is purchased by the Fund from a commercial carrier.

DECEMBER 31, 2013 AND 2012

(1) ORGANIZATION AND DESCRIPTION OF THE FUND

The Suburban Municipal Joint Insurance Fund (the "Fund") was formed on January 1, 1994 in accordance with P.L. 1983, C.372, entitled "An Act Concerning Joint Insurance Funds for Local Units of Government", and the supplementing Chapter 10 of Title 40A of the New Jersey Statutes. The Fund is operated in accordance with regulations of the New Jersey Department of Insurance and the Division of Local Government Services of the Department of Community Affairs. The Fund was established for the purpose of providing low cost insurance coverage as well as providing stability in coverage. There are currently ten member municipalities participating in the Fund.

Participating municipalities must remain in the Fund for the full term of membership unless earlier terminated by a majority vote of the Fund Commissioners or a two-thirds vote of the Executive Committee for nonpayment of assessments or continued non-compliance after written notice to comply with the bylaws or other obligations.

All members' contributions to the Fund for claim payments are based on actuarial assumptions determined by the Fund's actuary. The Commissioner of Insurance may order additional assessments to supplement the Fund's claim, loss retention or administrative accounts to assure the payment of the Fund's obligations.

An executive director/administrator is responsible for the overall administration of the Fund.

The following coverages are offered by the Fund to its members:

- a) Workers' Compensation and Employers' Liability
- b) General Liability and Auto Liability
- c) Property Damage
- d) Motor Vehicle
- e) Public Officials' Liability/Employment Practices Liability
- f) Environmental

The Fund is also a member of the Municipal Excess Liability Joint Insurance Fund which provides excess insurance for each of the coverages noted above, except for Public Officials Liability/Employment Practices Liability coverage which is purchased by the Fund from a commercial carrier.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Reporting Entity

Government Accounting Standards Board publication, defining the "The Financial Reporting Entity" establishes standards to determine whether a governmental component unit should be included in the financial reporting entity. The basic criterion for inclusion or exclusion from the financial reporting entity is the exercise of oversight responsibility over agencies, boards and commissions by the primary government. The exercise of oversight responsibility includes financial interdependency, selection of governing authority, designation of management, ability to significantly influence operations, and accountability for fiscal matters. The Fund has determined that there were no additional entities required to be included in the reporting entity under the criteria as described above, in the current year. In addition, the Fund is not includable in any other reporting entity on the basis of such criteria.

Basis of Presentation, Fund Accounting

The financial statements of the Fund have been prepared in accordance with generally accepted accounting principles applicable to governmental entities. The Fund uses the accrual basis of accounting, whereby income is recorded as earned and expenses are recognized as incurred. The Fund utilizes total economic resources as their measurement focus. The Fund's reports are based on all applicable Government Accounting Standards Board (GASB) pronouncements.

Income Taxes

The Fund is a tax-exempt organization and is not subject to either federal or state income taxes.

Assessments

The gross claim fund assessment is determined by the actuary and, when combined with expense and premium projections, constitutes the Fund's budget. Assessments for participating municipalities are determined by underwriting criteria established by the Executive Committee.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Unpaid Claims Liabilities

The Fund establishes claims liabilities based on estimates of the ultimate cost of claims that have been reported but not settled, and of claims that have been incurred but not reported. The length of time for which such costs must be estimated varies depending on the coverage involved. Estimated amounts of salvage and subrogation and reinsurance recoverable on unpaid claims are deducted from the liability for unpaid claims. Because actual claims costs depend on such complex factors as inflation, changes in doctrines of legal liability, and damage awards, the process used in computing claims liabilities does not necessarily result in an exact amount, particularly for coverages such as general liability. Claims liabilities are recomputed periodically using a variety of actuarial and statistical techniques to produce current estimates that reflect recent settlements, claim frequency, and other economic and social factors. A provision for inflation in the calculation of estimated future claims costs is implicit in the calculation because reliance is placed both on actual historical data that reflect past inflation and on other factors that are considered to be appropriate modifiers of past experience. Adjustments to claims liabilities are charged or credited to expense in the periods in which they are made. The fund does not discount estimated claims liabilities.

In accordance with practices prescribed or permitted by the Departments of Community Affairs and Insurance, State of New Jersey, the accountants' audit procedures were not extended to the underlying actuarial assumptions for Incurred But Not Reported (IBNR) Reserve amounts since they are prepared by the Fund's Actuary.

Reinsurance

The Fund uses reinsurance agreements to reduce its exposure to large losses on certain types of insured events. Reinsurance permits recovery of a portion of losses from reinsurers, although it does not discharge the primary liability of the Fund as direct insurer of the risks reinsured. The Fund does not report reinsured risks as liabilities unless it is probable that those risks will not be covered by reinsurers.

Prepaid Expenses

Prepaid expenses consist of the unexpired portion of an insurance policy purchased to provide additional insurance coverage for the property fund. In the General and Administrative Fund, prepaid expenses represent the prepaid portion of excess insurance coverage and producer commissions.

Deferred Revenue

Deferred revenue represents the unearned assessments of participating municipalities.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Administrative Expenses

Administrative expenses are comprised mainly of compensation for services rendered by servicing organizations and appointed officials pursuant to written fee guidelines submitted and approved by a majority of the Commissioners.

Claims Case Reserves

Case reserves include estimated unpaid claim costs for claimants and allocated claim adjustment expenses as reported by the service agent.

Claims Incurred But Not Reported (IBNR) Reserve

In order to recognize claims incurred but not reported, a reserve is calculated by the Fund's actuary.

IBNR reserves include:

- a) Known loss events that are expected to later be presented as claims,
- b) Unknown loss events that are expected to become claims, and
- c) Expected future development on claims already reported.

(3) CASH AND CASH EQUIVALENTS

The Fund considers cash in banks and deposits in the New Jersey Cash Management Fund and Short-Term Investments with original maturities of three months or less as cash and cash equivalents.

New Jersey statutes permit the deposit of public funds in institutions which are located in New Jersey and which meet the requirements of the Governmental Unit Deposit Protection Act (GUDPA) or the State of New Jersey Cash Management Fund. GUDPA requires a bank that accepts public funds to be a public depository. A public depository is defined as a state bank, a national bank, or a savings bank, which is located in the State of New Jersey, the deposits of which are insured by the Federal Deposit Insurance Corporation. The statutes also require public depositories to maintain collateral for deposits of public funds that exceed certain insurance limits. All collateral must be deposited with the Federal Reserve Bank or a banking institution that is a member of the Federal Reserve System and has capital funds of not less than \$25,000,000.00.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(3) CASH AND CASH EQUIVALENTS (CONTINUED)

The Fund had the following cash and cash equivalents at December 31, 2013 and 2012:

	<u>2013</u>	<u>2012</u>
Checking and Money Market Accounts	\$3,445,320.52	\$2,221,967.57
State of New Jersey Cash Management Fund	<u>11,848.73</u>	<u>11,842.08</u>
<u>TOTAL</u>	<u>\$3,457,169.25</u>	<u>\$2,233,809.65</u>

The carrying amount of Suburban Municipal Joint Insurance Fund cash and cash equivalents at cost at December 31, 2013 and 2012 was \$3,457,169.25 and \$2,233,809.65, respectively. The bank balances were \$3,612,621.15 and \$2,738,315.17, respectively. Of the bank balance, \$250,000.00 was covered by federal depository insurance and \$3,350,772.42 and \$2,488,315.17 was covered by the collateral pool maintained by the banks as required by New Jersey statutes. The \$11,848.73 and \$11,842.08 invested in the cash management fund is not covered by federal depository insurance or collateral pool.

Custodial Credit Risk – Custodial credit risk is the risk that in the event of a bank failure, the deposits may not be returned. The Authority does not have a specific deposit policy for custodial credit risk other than those policies that adhere to the requirements of statute. As of December 31, 2013, based upon the coverage provided by FDIC and NJGUDPA, no amount of the bank balance was exposed to custodial credit risk.

(4) INVESTMENTS

New Jersey statutes permit the Fund to purchase the following types of investments:

- a) Bonds or other obligations of the United States or obligations guaranteed by the United States.
- b) Bonds of any Federal Intermediate Credit Bank, Federal Home Loan Bank, Federal Land Bank, Federal National Mortgage Associates or any United States Bank for Cooperatives which have a maturity date not greater than twelve months from the date of purchase.
- c) Bonds or other obligations, having a maturity date not more than twelve months from the date of purchase, approved by the Division of Investment of the Department of the Treasury for investment by local unit.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(4) INVESTMENTS (CONTINUED)

Investments are recorded at fair value. All of the investments are held by the Fund's custodial bank trust department in the Fund's name. Investments at December 31 consisted of the following:

	<u>2013</u>	<u>2012</u>
United States Government Agency Securities	<u>\$ - 0 -</u>	<u>\$1,009,190.00</u>

Investment Rate Risk - The Fund has a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit Risk - New Jersey Statutes limits investments to those specified in the Statutes. The type of allowance investments are Bonds of the United States of America, bonds or other obligations of the towns or bonds or other obligations of the local unit or units within which the town is located: obligations of federal agencies; government money market mutual funds; the State of New Jersey Cash management Plan; local government investment pools; or repurchase of fully collateralized securities.

Concentration of Credit Risk - The fund places no limit on the amount the Fund may invest in any one issuer.

(5) FAIR VALUE OF FINANCIAL INVESTMENTS

The following methods and assumptions were used to estimate the fair value of each class of financial instruments for which it is practical to estimate that value:

Cash and Cash Equivalents - The carrying amount approximates fair value because of the short maturity of these instruments.

Investments - The Fund has long term investments in U.S. Treasury Notes and Mortgage Backed Securities guaranteed by agencies of the United States, with maturities greater than one year. The fair value of the securities is based on year-end quoted market prices.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(6) MEMBERSHIP IN JOINT INSURANCE FUNDS (JOINT VENTURES)

Municipal Excess Liability Residual Claim Fund

In 1998, the Fund became a member of the Municipal Excess Liability Residual Claims Fund (the "Residual Fund"). The Residual Fund is a risk-sharing public entity risk pool that is a self-administered group of joint insurance funds established for the purpose of assuming and discharging the liabilities associated with loss reserves of participating members. The transfer of these loss reserves to the Residual Fund results in the closing of those fund years. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the Residual Fund are elected.

As a member of the Residual Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Residual Fund were to be exhausted, members would become jointly and severally liable for the Residual Fund's liabilities.

The Residual Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership for that fund year. In accordance with Statement No. 10 of the Government Account Standards Board, these distributions are used to reduce the amount recorded for the Fund's membership assessment in the year in which the distribution was declared.

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(6) MEMBERSHIP IN JOINT INSURANCE FUND (JOINT VENTURES) (CONTINUED)

Municipal Excess Liability Residual Claim Fund (Continued)

During 2013 the Residual Fund assumed the obligation for discharging the Fund's liabilities for claims and losses for the year 2009. Loss reserves were assumed in exchange for the Fund's assessment for participation in the Residual Fund.

Selected audited financial information for the Residual Fund as of December 31, 2013 is as follows:

	Municipal Excess Residual Claims Fund (Unaudited)
Total Assets	<u>\$ 81,459,009.00</u>
Net Position	<u>\$ 5,137,729.00</u>
Total Revenue	<u>\$ 24,974,946.00</u>
Total Operating Expenses	<u>\$ 21,984,023.00</u>
Change in Net Position for the year ended December 31, 2013	<u>\$ 2,579,104.00</u>
Distribution to Participating Members	<u>\$ 400,000.00</u>

New Jersey Municipal Environmental Risk Management Fund

In 1996, the Fund became a member of the New Jersey Municipal Environmental Risk Management Fund (the "Environmental Fund"). The Environmental Fund provides its members with various environmental related coverages. The Environmental Fund is a risk-sharing public entity risk pool that is both an insured and self administered group of joint insurance funds established for the purpose of providing low-cost insurance coverage for their respective members in order to keep local property taxes at a minimum. Each member appoints an official to represent their respective entity for the purpose of creating a governing body from which officers for the Environmental Fund are elected.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(6) MEMBERSHIP IN JOINT INSURANCE FUND (JOINT VENTURES) (CONTINUED)

New Jersey Municipal Environmental Risk Management Fund (Continued)

As a member of the Environmental Fund, the Fund could be subject to supplemental assessments in the event of deficiencies. If the assets of the Environmental Fund were to be exhausted, members would become responsible for their respective shares of the environmental Fund's liabilities.

The Environmental Fund can declare and distribute dividends to members upon approval of the State of New Jersey Department of Insurance. These distributions are divided among the members in the same ratio as their individual assessment related to the total assessment of the membership body.

Selected audited financial information for the Environmental Fund as of December 31, 2013 is as follows:

	<u>New Jersey Risk Management Fund (Audited)</u>
Total Assets	<u>\$ 26,158,723.00</u>
Net Position	<u>\$ 12,030,089.00</u>
Total Revenue	<u>\$ 4,136,205.00</u>
Total Operating Expenses	<u>\$ 1,972,153.00</u>
Change in Net Position for the year ended December 31, 2013	<u>\$ 1,732,197.00</u>
Distribution to Participating Members	<u>\$ 450,000.00</u>

Municipal Excess Liability Joint Insurance Fund

The fund is a member of the Municipal Excess Liability Joint Insurance Fund (the "MEL"). The MEL provides its members with excess workers' compensation and employers' liability, excess liability other than motor vehicles, excess motor vehicles and related coverages. The MEL is an insured and self administered group of joint insurance funds established for the purpose of providing low-cost insurance coverage for their respective members in order to keep local property taxes and user fees at a minimum. Each member appoints an official to represent their respective joint insurance fund for the purpose of creating a governing body from which officers for the MEL are elected.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(7) PERMANENT FUND TRANSFERS

Permanent intertrust fund transfers are made upon the expressed approval of the Commissioners, following prior written notification to the Commissioners of Insurance and the Department of Community Affairs.

Interyear fund transfers require prior approval of the Departments of Insurance and Community Affairs. The fund may seek approval from the Commissioner to make interyear fund transfers at any time from a claims or loss retention trust account from any year which has been completed for at least 12 months. The interyear fund transfer may be in any amount subject to the limitation that after the transfer, the remaining net current surplus must exceed 35 percent of unpaid claims for that fiscal year. Claims must be undiscounted, the IBNR reserve must be certified by an actuary and the membership for each fiscal year involving interyear fund transfers must be identical between fiscal years.

All fund transfers are recognized at the time actual transfers take place.

(8) RETURN OF SURPLUS

Return of surplus is recognized upon authorization of the Fund Commissioners with the approval of the Commissioner of Insurance of the Department of Banking and Insurance of the State of New Jersey. Any moneys for a Fund year in excess of the amount necessary to fund all obligations for that fiscal year as certified by the Fund's actuary may be declared to be refundable by the Fund from any claim fund that has been completed for not less than twenty-four months, provided that the remaining net current surplus in the account from which the refund is made must equal or exceed the surplus retention formula promulgated by the regulations governing joint insurance funds.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(9) MINIMUM SURPLUS REQUIREMENTS

The State of New Jersey has no statutory minimum surplus requirements.

(10) DEFICIT FUND BALANCE

The Fund will liquidate any deficit in a fund balance by transferring from another fund or by assessing members for additional contributions, in accordance with applicable New Jersey statutes and regulations.

(11) LOSS RESERVES

The liability for unpaid losses and loss adjustment expenses represents an estimate of the ultimate net cost of all losses and loss adjustment expenses incurred but not yet paid as of December 31, 2013. This estimate is based on the estimated ultimate cost of settling the claims considering the historical experience of the Fund, various other industry statistics, including the effects of inflation and other societal or economic factors, and the Fund's self-insured retention level. Management believes that the liability for unpaid losses is adequate to cover the ultimate cost of reported and unreported claims incurred but not yet paid. However, the ultimate cost may be more or less than the estimated liability. The unpaid losses are stated net of any recoveries from excess-loss insurance. The Fund has created a loss reserve for any reported and potential unreported losses which have taken place but in which the Fund has not received notices or reports of losses. Amounts shown as negative loss reserves, if any, represent payments to claims servicing agent in excess of claims paid and case reserves on the Fund's loss runs. These amounts, if any, are shown on the balance sheets as accounts receivable. Loss reserves, at December 31, 2013, which have been estimated by the Fund's Actuary and Servicing Agent, are as follows:

The Fund is also a member of the Municipal Excess Liability Joint Insurance Fund which provides excess insurance for each of the coverages noted above, except for excess property coverage which is purchased by the Fund from a commercial carrier.

A contingent liability exists with respect to insurance coverage which would become an actual liability in the event the insuring company might be unable to meet its obligations to the Fund under existing insurance agreements.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(12) CHANGES IN UNPAID CLAIMS LIABILITIES

As discussed in Note 2, the Fund establishes a liability for both reported and unreported insured events, which includes estimates of future payments of losses and related allocated claim adjustment expenses.

The following represents changes in those aggregate undiscounted reported and unreported liabilities for the Fund during 2013 and 2012 for all open Fund years net of excess insurance recoveries:

	<u>2013</u>	<u>2012</u>
Total unpaid claims and claim adjustment expenses all fund years - beginning of year	\$3,482,828.19	\$3,611,634.82
Incurred claims and claim adjustment expenses:		
Provision for insured events of current fund year	1,814,999.36	1,910,000.98
Changes in provision for insured events of prior fund years	<u>(2,113,880.45)</u>	<u>(1,882,925.56)</u>
Total incurred claims and claim adjustment expenses all Fund years	<u>\$3,183,947.10</u>	<u>\$3,638,710.24</u>
Payments:		
Claims and claim adjustment expenses:		
Attributable to insured events of current fund year	\$ 508,573.94	\$ 560,654.07
Attributable to insured events of prior fund years	<u>(449,668.69)</u>	<u>(404,772.02)</u>
Total payments all fund years	<u>58,905.25</u>	<u>155,882.05</u>
Total unpaid claims and claim adjustment expenses all Fund years - end of year	<u>\$3,125,041.85</u>	<u>\$3,482,828.19</u>

(13) FUND EQUITY DISTRIBUTION PAYABLE

During 2013, the Fund declared a distribution of fund equity of \$75,000.00. The distribution was approved by the State Department of Insurance. The participating members will either receive payment or they will offset their subsequent year assessments with the respective share of the distribution.

SUBURBAN MUNICIPAL JOINT INSURANCE FUND

NOTES TO FINANCIAL STATEMENTS

DECEMBER 31, 2013 AND 2012

(14) RETROSPECTIVE PREMIUMS

The Fund adopted a program to accomplish a greater emphasis on individual member loss experience in allocating the cost of claims. The Fund adopted a program known as "Retrospective Premiums". This assessment allocation allows for members to pay a "minimum assessment". If a member's losses exceed the amount budgeted for their claims, the member will be assessed the cost of those claims until reaching its "maximum assessment". It also allows members to reduce their insurance costs by controlling their losses.

The Fund calculates the additional assessment quarterly beginning 18 months after the fund year's inception. This calculation includes case reserves and actuarial "incurred but not reported" (IBNR) and can vary from period to period. The Fund will not bill the member until the final computation of the retrospective premium – which will be done when the Fund transfers that fund year to the Municipal Excess Liability Residual Claims Fund.

Fund years are transferred to the Residual Claims Fund 3½ years from the close of the year. For Fund year 2012 – that will be based on the valuation date of June 2016. Once billed, the member has twelve months to make this payment. The amount calculated for retrospective premiums for 2013 was \$125,780.

(15) SUBSEQUENT EVENTS

The Suburban Municipal Joint Insurance Fund has evaluated subsequent events occurring after the financial statement date through May 23, 2014, which is the date the financial statements were available to be issued. Based on this evaluation, the Suburban Municipal Joint Insurance Fund has determined that no subsequent events have occurred which require disclosure in the financial statements.

(16) LITIGATION, CLAIMS AND CONTINGENT LIABILITIES

In the opinion of management, claims or lawsuits incidental to the business of the Fund have been adequately provided for in the financial statements.
