**RE:** 2023 Safety Incentive Program

---

We are happy to announce the 2023 Safety Incentive Program (SIP). The SIP is distributed to all Safety Coordinators, Fund Commissioners, and Risk Managers via e-mail.

In 2023, members will not need to mail or fax any SIP documentation to the JIF Risk Control Consultant. Two weeks before the quarterly report due date, you will receive an email from Tina Zaverzence to submit your quarterly activities through Survey Monkey (an account is not needed to complete the survey).

Documentation should be maintained onsite for the JIF Risk Control Consultant to review during regular visits.

If there are any questions regarding the SIP, please contact the JIF Risk Control Consultant.

We look forward to a successful 2023!
